The standardized ITED tests will be administered to ALL Prep students this coming Monday—Tuesday, September 18-19. Class sponsors will administer their students' tests in designated classrooms. Students will need to bring 3-4 #2 pencils and are encouraged to eat healthy and hydrate. A revised class schedule will be emailed to students/parents.

CoGat Standardized Tests are also administered during test week to Freshman and Juniors only. CoGat is given once every 2 years.

Please remember these tests are designed as reference tools to gauge where learning levels are, but do not determine a student's success or failure in any way!
